**Senior Manager, Deloitte**

Congratulations to all members for achieving Platinum chapter status this year! We would not be able to achieve this status without our members' support, the Board members' dedication and hard work, and our charitable corporate sponsors that were essential with providing the assistance necessary to carry out many of our events this year.

### **Annual Awards Dinner Recap:**

Last month, many of you were able to celebrate our year-end early with us at our annual Awards Dinner. We're very pleased to have **Congressman Jim Moran** of Virginia's 8th District volunteer his time to be our keynote speaker for the evening. Our members got an opportunity to ask poignant questions regarding our economy and ways to address our fiscal challenges. It was a thought-provoking discussion that raised awareness as well as provided insights into the issues that our Federal government is facing in an intimate manner. We greatly appreciate the Congressman taking the time to spend the evening with us.

During the Awards Dinner, our chapter had the opportunity to recognize three individuals within the Federal financial management community for their service and dedication.

- **Doug Criscitello, CFO U.S. Housing and Urban Development (HUD)** received the Jeffrey C. Steinhoff Award for Excellence in Federal Financial Management. The award recognizes Federal professionals who exemplify

### **This Month:**

This month, our chapter is participating in a joint chapter AGA member services event to attend the Virginia Wine Tour on June 25<sup>th</sup> at 9am. We are excited to see some new faces as we visit new vineyards in the Purcellville and Loudoun Valley region of Virginia. This is a wonderful opportunity to enjoy good wine, good food, and great company. The cost is \$40.00 for AGA DC or NOVAGA members and their first guest, and \$70.00 for each additional non-member guest. The price for this event includes lunch, tasting fees, and transportation. There will be two buses with separate itineraries, however; the buses will meet up for a group tasting at Hume Vineyards. For more information and to register for this event please visit [http://agadc.org/page.php?name=wine\\_tour\\_information](http://agadc.org/page.php?name=wine_tour_information).

In closing, I greatly appreciate the opportunity to serve as your President this year. I truly enjoyed working with my amazing fellow Board members and the chance to meet so many individuals as well as build excellent relationships within the National/Regional AGA organization. I look forward to continuing on to help make AGA a successful organization through assisting with the NOVAGA chapter as Past President in the upcoming year and with assisting with the FY2011 Professional Development Conference over the summer and Fraud Conference in the fall. And, I hope to see many of you at these upcoming events.

Thank you again for an outstanding year!

## Early Careers Update

*Lee Richardson Jr.*

### **Greetings NOVAGA Early Career (EC) Members**

The NOVAGA chapter is wrapping up a remarkable program year (PY) and each of our early career members, to varying degrees, played a role in that success. It has been my pleasure to serve as the EC director and chair of the EC subcommittee comprised of the following leaders: Bethany Wilder, Blake Covington, Tamara Miseyka, and Nabeel Ilyas. One of our stated goals for the 2010-2011 was “to make this year a more rewarding and collaborative AGA experience for each of you.” I believe that we achieved that goal by working together, the EC subcommittee and each of you, and through the support of our board of directors.

We collaborated with each other, with other AGA capitol region chapters, and with organizations like the Arlington Food Assistance Center (AFAC) to invest in others as well as ourselves. We expanded our networks and received valuable career coaching to strengthen our respective foundations and continue building our personal brand. We even had fun with activities such as a tri-chapter picnic, a football party with the Montgomery/Prince George’s County chapter, and the timeless classic – happy hours at Whitlow’s on Wilson. Together we made a difference. Together we grew. Together we can look forward to PY 2011-2012.

PY 2011-2012 will be an even more exciting and focused year for the NOVAGA EC members. I am pleased to announce that Bethany Wilder and Blake Covington are joining the 2011-2012 board of directors. Together, we will lead the NOVAGA EC members. We have some exciting ideas based on feedback received during the current PY and we look forward to executing those ideas with you.

If you have any questions or comments regarding NOVAGA EC group, please email Bethany Wilder ([bewilder@deloitte.com](mailto:bewilder@deloitte.com)), Blake Covington ([blacovington@deloitte.com](mailto:blacovington@deloitte.com)), or Lee Richardson – me ([lerichardson@deloitte.com](mailto:lerichardson@deloitte.com)). We would love to hear your ideas, answer your questions, or just get to know you. ☺ Have a wonderful and safe summer!

## Community Service Spotlight

## Member Spotlight

Last night at the AGA Awards banquet, Mike Davitt told me an interesting story - using the power of social media - Facebook. I hope you find the story as moving as I did.....

Mike was a resident of Cullman, Alabama, in the 1970s, and experienced firsthand the 1974 tornados that ripped through Cullman. Remembering the devastation of the 1974 tornados, he knew Cullman would need help after the recent April 2011 tornados. So, he contacted a friend from his college days, Mrs. Donna M. Richter, to ask where a donation could reach the tornado victims of Cullman. She made a few calls around town and discovered that the Cullman Caring for Kids food bank was empty. Mike immediately sent a check, and made several postings on Facebook to encourage others to give. The Executive Director, Javon Daniel, of Cullman Caring for Kids stated that once the posting was made on Facebook, at a time when the shelves were nearly bare at the food bank, that word began spreading. Within a few days (!) shipments of food began arriving at the food bank. Daniel stated that local publicity and the power of Facebook caused donations to soar. Daniel stated that more people than usual will be making use of the food bank now, especially after the other service organizations leave the area or cut back on their presence.

If you want to make a donation, contact, Cullman Caring for Kids at: <http://www.cullmancaringforkids.com>.

*Sincerely,
