Each session will be taught by a volunteer instructor from the NOVAGA Chapter.

You will need to visit the AGA website and fill out the CGFM application form. This process can take up to 6 weeks to complete. You will not be able to take the exams until your application is processed and you receive an eligibility letter from AGA. The instructors strongly recommend taking each test as we finish each book. The AGA web site is:

If you need books, you are responsible for purchasing the study guides available from The Association of Government Accountants (AGA). Cost is \$85 per book for all students. To get the most out of the study group sessions it is best to read the appropriate book before session starts. There is sometimes a 2 week delay in receiving the books. AGA did a major revision of book 2 in July 2011. Check your book to make sure you have a 2011 version. The books can be purchased directly from the AGA website:

<https://www.agacgfm.org/cgfm/prepare/studyGuideOrderForm.aspx>

NOVAGA will reimburse AGA member students \$35 for each study guide purchased. Please submit a copy of your invoice to an instructor in order to qualify for the reimbursement. Expect the reimbursement to arrive a couple of weeks after invoice submittal.

There is a \$5 fee to register for each part (Book 1, 2 and 3). Register for one, two or all three parts through the NOVAGA website: <http://www.novaga.org/cgfm.html>

### **The Certified Government Financial Manager**

Since its inception in 1994, the CGFM has become the standard by which government financial management professionals are measured. Its [education](#), [experience](#) and [ethics requirements](#) have served to elevate the most seasoned financial professionals. More than 14,000 individuals have received the designation so far. Now it's your turn. Experience the benefits of certification first hand--the CGFM is the mark of excellence in your profession. We look forward to adding your name to our distinguished list of Certified Government Financial Managers.

This designation is already recognized as a professional standard. Each year, more and more Federal agencies and state and local governments are realizing the value of the CGFM and are formally embracing the designation. It is often listed as a preferred qualification on Federal RFPs. The Institute of Internal Auditors (IIA) Board of Regents has also recognized the CGFM. It is accepted as a waiver for part IV of the CIA examination. Find out more at [www.agacgfm.org/cgfm](http://www.agacgfm.org/cgfm)
