

Thank You to Banquet Sponsors!

Special Input from Michael Lippert
NOVAGA's Corporate Sponsor Liaison

The banquet is FREE if you've attended at least one meeting, otherwise it's \$10 for AGA Members and \$15 for Non-Members. These LOW prices are made possible through the generous support of the Sponsors listed on this page. Seating is limited, so be sure to sign up early, but NO LATER THAN NOON on MAY 12th. Since we must pay for all reserved meals, we will bill no shows the price of the dinner

Our Awards Banquet is an important part of our year and is just a small way to thank the numerous people and organizations that have worked so hard to make this year successful. That's why we want to take extra time to thank our sponsors, who help to make this evening possible.

We thank the sponsors listed below for their financial support. We also want to thank these and all the other employers that have given their time and have allowed their employees to participate in our programs to enrich the lives of others

Clifton Gunderson LLP (www.cliftongunderson.com) specializes in providing audit, accounting and information technology services, to governmental clients. We are the 13th largest CPA and consulting firm in the country, and have offices in 15 states and Washington, DC.

At Cotton & Company LLP, our specialty is the business of government. Since our founding in 1981, Cotton & Company has successfully completed thousands of engagements for our government clients, including financial statement, contract, and performance audits; accounting and reconciliation engagements; IT system and security reviews; and management consulting. Unlike larger firms, our partners are involved on a daily basis with each and every one of our engagements, providing our clients with the full benefit of the firm's specialized experience and skills.

Since 1991, EM&I (www.em-i.com) has been a major contracting support resource for several highly visible initiatives at the Enterprise Level, Domain Level, Component Level, and Program Level. EM&I successfully merged DoD engineering discipline and principles with management consulting expertise to provide our clients with solutions geared to reduce risks, ensure best-fit results, & facilitate Organizational Transformation. In an ever-changing business environment, we provide and support clients in the areas of: *Strategy, Governance, Architecture, & Engineering.*
